

CardSmith Acquires Patent License from JSA Technologies

All Current and Prospective Customers Licensed to Use CardSmith's On-Line Value Transfer Solution

*******FOR IMMEDIATE RELEASE*******

December 8, 2008

Doylestown, PA - CardSmith LLC announced today that it has reached a permanent license agreement with JSA Technologies in connection with JSA's on-line value transfer patent. As a result of this agreement, all current and prospective CardSmith clients are fully and properly licensed with JSA Technologies to use CardSmith's On-Line Cardholder Account Center and Web Value Transfer Service.

"Web-based value transfer is a fundamental and valuable element of our service, and it was very important to us to eliminate any uncertainty with respect to the JSA patent as it concerned CardSmith or our clients" said Jay Summerall, CardSmith President. "This agreement accomplished that objective. It means business as usual for our current clients and gives the marketplace assurance that CardSmith's service is fully licensed under the JSA patent."

About CardSmith:

CardSmith is a campus card solutions company serving educational institutions, students, parents and campus service providers nationwide. The company provides the market's only turn-key campus card program management solution, delivering superior capability, service and performance for less than 50% of the cost proprietary campus card systems.
